

## **QST-training**

For a comparability of QST (Quantitative Sensory Testing) results we recommend a training session in Germany, either in Mannheim or in Bochum; a training session will take about 8 hours and will include information on the equipment, the investigation technique, recommended procedures for quality control and analysis and interpretation of results.

Please contact our DFNS training centers in Mannheim or Bochum for further information regarding appointments and costs:

### **QST-center Mannheim (Prof. Treede)**

Dr. Doreen Pfau

e-mail: [doreen.pfau@medma.uni-heidelberg.de](mailto:doreen.pfau@medma.uni-heidelberg.de)

Tel.: +49 -621-383 9929 oder -3861

Carolin Ohler

e-mail: [carolin.ohler@medma.uni-heidelberg.de](mailto:carolin.ohler@medma.uni-heidelberg.de)

Tel.: +49-621-383 3676

### **QST-center Bochum (Prof. Maier)**

Dr. Andrea Westermann
